

Foam Eliminator

PROBLEM SOLVER

Immediately
Removes Foam
in the Spa Water

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See side panel for additional precautionary statements.

Net Weight: 16 Ounces

Foam Eliminator is an exclusive formula that breaks up foam in spas, hot tubs, and whirlpools. Use **Foam Eliminator** whenever troublesome foam develops.

DIRECTIONS FOR USE:

To Eliminate Foam:

Shake well and dispense approximately one capful of **Foam Eliminator** onto the surface of the water while the water is being circulated. Wait 30 minutes and repeat treatment if foam has not subsided.

NOTE: If more than three capfuls of **Foam Eliminator** have been used within a 24 hour period, it is recommended that you clean your filter(s) with **Amersé Filter Revive** to prevent filter build-up. Test your water chemistry.

FIRST AID:

IF SWALLOWED: Call poison control center or doctor immediately. If conscious, immediately give 2 to 4 glasses of water, and do not induce vomiting unless told to do by poison control.

EYE CONTACT: Hold eye open and rinse gently with cool water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

SKIN CONTACT: Wash with soap and water. See physician if irritation occurs.

STORAGE AND DISPOSAL:

This product should be stored at room temperature. Do not reuse bottle.
